

Md. Shabbir Hossan

WEB DEVELOPER

Dhaka, Bangladesh | 01746747126 | github.com/shabbir-hossan | shabbir.official54@gmail.com

Objective

I'm a Full stack Web developer and UX friendly UI Designer who is passionate about making error-free websites with 100% client satisfaction. I have a passion for learning and sharing my knowledge with others as publicly as possible. I love to solve real-world problems. I am strategic, goal-oriented, and always work with an end goal in mind. Over the past years, I created 50s of websites for my clients. I pride myself on doing quality work and maintaining excellent communication.
